Tere naina re

Naino ki chal hai  
Makhmali haal hai  
Ucchi palkon se badle sama  
Naina sharmaye jo  
Ya ki bhar aaye jo  
Tham ke ruk jayi dono jahan  
Rab ki nimat hai teri nigahein  
Jismein basti hai uski duyaein  
Aise naino ki baaton mein  
Koi kyun na aaye

Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re

Aise naino ki baaton mein  
Koi kyun na aaye  
Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re

Aahat khawabon ki  
Chahat dhadkan ki  
Unke kadmon ke hai yeh nishan  
Chahe kuch na bolun  
Chahe raaz na kholun  
Yeh samajhte hain meri zuban  
Mujh pe basti hai jo teri nigahein  
Meri saaanson ne badli adayein  
Ho aise naino ki baaton mein  
Koi kyun na aaye

Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re

Aise naino ki baaton mein  
Koi kyun na aaye  
Ho tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re  
Tere naina tere naina  
Tere naina re.
