## English]

Kivein koi karu ignore sohneya  
Sokha khulana ni dil wala dore sohneya  
Katte mavan de ne putt phir fal jehdi gutt  
Copy kardi aa naara kalle kalle dang di

Ek dujje nu puchan munde kaun langdi  
Ek dujje nu puchan munde kaun langdi

Kare kudi ri present mull vehna nu  
Seharz lakaunde ne sniper je naina nu  
Bullet te bhimara piche aun ki karan  
Jadon ve main laike ruby cone langdi

Ek dujje nu puchan munde kaun langdi  
Ek dujje nu puchan munde kaun langdi

Agg wangu charcha de fail gi rakan di  
Sadagi nu pehal unjh fashion vi jaan di  
Red bulliyan da joda ve khulada ae thoda  
Raula paundi chhankaar veeni pai wang di

Ek dujje nu puchan munde kaun langdi  
Ek dujje nu puchan munde kaun langdi

Jihde utte aaya dil munda sardaar ae  
Gott ohde bains te sunida geetkar ae  
Meri bann gaya hind ohda mang liya pind  
Kudi akad khuri ae ohde mure sang di
