---

## English

Mercury sa tera pyaar  
Mercury ho...sa tera pyaar  
Mercury sa tera pyaar  
Mercury ho...sa tera pyaar

Sar pe mere chadha hai aise tera bukhar  
Mercury sa tera pyaar  
Mercury ho...sa tera pyaar

Phir jaana aisi kya ruswaa hai  
Tu mere dard-e-dil ki dawaai hai  
Tu jo mile aaye qaraar  
Majboori samjho na yaar  
Mercury ho...sa tera pyaar

Phir jaana aisi kya ruswaa hai  
Tu mere dard-e-dil ki dawaai hai  
Tu jo mile aaye qaraar  
Mercury sa tera pyaar  
Mercury o...sa tera pyaar

Hey girl can I talk to you  
Wanna tell you somethin' what I wanna do  
Lyricsbogie.com  
Everybody wanna be with you  
be the one who loves you

Hey girl when I look at you  
My knees go weak at the sight of you  
Aye girl I'm crazy about you  
can leave the world just be with you

Honth mere thar thar kaanpe  
Honthon ki teri garmi ha maange  
Dhoop sa mera tapta badan  
Zulf ki teri narmi hai maange

Tu mera hakeem hai haan  
Mujhko tera marz huaa  
Tu mera hakeem hai haan  
Mujhko tera marz huaa  
Tera ishq hi meri shifa hai

Phir jaana aisi kya ruswaai hai  
Tu mere dard-e-dil ki dawaai hai  
Tu jo mile aaye qaraar  
Mercury sa tera pyaar  
Mercury ho...sa tera pyaar

Do you have a...

Mera ye haal kiya  
Kyun mujhe behaal kiya  
Jab koi sawaal kiya  
Kyun nahi jawaab diya

Do you have a...

Tell me now!

Do you have a...

Tell me now!

Phir jaana aisi kya ruswaai hai  
Tu mere dard-e-dil ki dawaai hai  
Tu jo mile aaye qaraar

Mercury sa tera pyaar  
Mercury ho...sa tera pyaar  
Mercury sa tera pyaar  
Mercury ho...sa tera pyaar.
