English

Bounce karde ne meri gaddi de bass tubes
Steering ghumda ae jimme caribbean cruise
Shor penda aan te mere
Jadh volume up and down
Silencer dhuya na kadde
Ucho nikkle barood
Alloys laye gaddi modify aa
Shonk sarre luxury te kharche
Kharche hi fi aa

Gaddi de sheehse nirre kaale
Thats how we do
Kolle ne mere velly sarre
Thats how we do
Naal tu aaje mere
Kyu janni ae dur
Coz baby i just dont wanna be so rude
Thats what i do
Thats what what i do
Thats what i do
Thats what what i do
Thats what i do
Thats what what i do
Thats what i do
Thats what what i do
Thats what i do
Thats what what i do
Thats what i do
Thats what what i do

Gaddi meri udhdi aa like a rocket
Card and cash no fool in pocket
