Ambran ton kithe tainu door le jawaan  
Pyar diyan jithe mithiyan chhavan  
Ik waari azma ke dekh

Haaye hoo

Taareyan di tainu sair karawan  
Thandiyan jithe chalan hawavan  
Rabb kolon manga ehi duavan  
Jeevan main tere vich saahan

Jehdi thaan meri jaan tainu yaad aa  
Othe ajj vi main tere naale aan  
Saare chaah meri jaan ni puga dewan  
Kitte udd chal tu mere naal

Jithe taare vi na chamkan thakde  
Othe chann vi ni chhupda vekh  
Tere naa ni main sab karwa dawan  
Ik waari azma ke dekh

Haaye hoo

Taareyan di tainu sair karawan

Kitte udd chali ae!

Pari da tainu taj pehanawan  
Dil kadh tere hath fadawan

Dukh tere saare gal naal lawan

Uss wakhre jahaan ch dovein  
Sada layi vass jaaiye  
Meri jaan tainu taareyan di sair  
Saari umar karawanga  
Ik waari azma ke dekh

Haaye hoo

Taareyan di tainu sair karawan

Kitte udd chali ae!
