Kandi te dudh jeha  
Rang nakhro  
Suit paave bakhiyan toh  
Tang nakhro

Aankh diyaan hat java  
Bang wargi  
Bikon haata ti tu toh  
Bhang nakhro

Dedh ank leke munda manunga  
Dedh ank leke munda manunga  
Tu gabbru toh bach kudiye  
Tere peeche paave jatt raida  
Laava ve naa tu touch kudiye

Oh tere te jawaani chadi kehar di  
Te chadi too much kudiye  
Tere peeche paave jatt raida  
Laava ve naa tu touch kudiye

Oh taap keda jhalu husaan di lorda  
Dil lut legi ni tu sandhu da  
Tere peeche munde ground chadti  
Aaj kal ambara de tare todd da

Taave taave taave  
Ke chad ke strawberry khaave  
Tu kitta munda khach kudiye  
Tere peeche paave jatt raida  
Laava ve naa tu touch kudiye

Oh tere te jawaani chadi kehar di  
Te chadi too much kudiye  
Tere peeche paave jatt raida  
Laava ve naa tu touch kudiye

Rudke di team ballo jedha khedda  
Chaska ae jinnu bass phele dedh da  
Ohhi tera tarse number lain nu  
Sareaam kudiya ch tenu chedda

Oh kodi kodi kodi  
Tu bhi manja manaya asi modi  
Laava naa laavi pach kudiye  
Tere peeche paave jatt raida

Laava ve naa tu touch kudiye

Oh tere te jawaani chadi kehar di  
Te chadi too much kudiye  
Tere peeche paave jatt raida  
Laava ve naa tu touch kudiye.
