Trap munde trap munde paunde takk ni  
Mustang kaali kaali ghode wangu bhajje ni  
Chikkan mere sapne de wangu nache ni yeah  
Gangster life mainu fun lagge ni

Hip-hop ch punjabi munde paunde tappe bai  
Dhuppan vich tape rang hoye pakke bai  
Gun meri deve bill jehda khanghe bai jehde  
Money naale fame wale rog lagge kayi

Neck utte neck utte 20-20 tole  
Hater'an nu mirchan laggi ho gaye kode  
Bedardi kudiyan de dil tode  
Wakhri awaz karan note jehde kore

Kade main badami kade lakk phadan gore  
Khavein peevein naal haryana wale chhore  
Rees kitti jinne paige mentally daure  
Yaar tera real kade ghoosi nahio pore

Yaar nu ae shaunkh rakhan da ve  
Kaale ghode kaale ghode  
Raunda naal less 32 bore  
Baithi mode mode

Modan kare geetan ni  
Taan hi seene chaude chaude chaude

Rap godzila mera munh fainke fire aye  
Bich wali ungli pe blue shape fire  
Shot maarun dono hath upar kare umpire  
Sab kuchh lit karun jaise dil in air

Dede mera paisa nahi chahiye teri salaah  
Chup chap kaam karun lambo kare halla  
Main woh khatra hoon jo kabhi nahi tala  
Katun tera gala phir kaatun tera gala

Panja itna bada maine  
Game ki k\*tti bheench li yeah  
Janta chori chori meri photo khinch di  
Launde lagte hai launde  
Karte baatein bich ki

Mujhe dekh competition mein  
Aankhein meech li yeah  
Sab mala bas hath nahi male  
Saath rehne wale kayi  
Saath nahi chale yeah

Mujhe chahte maarna  
Lekin mere sar pe hath uska  
Jiske gale mein saanp rehte dale  
Kitne gadhon ke hamne khol diye ghode  
Haddiyan ghamand aur record teeno tode

Hath katwaye lekin hath nahi jode  
Yaari nahi todi lekin dil kayi tode  
Beshak i'm a bad boy  
Yeah!
