Tu kaun hai main kaun hu

Lyricsbogie.com
Ye soch ne ki baat hai hai na
Ye soch ne ki baat hai
Tu ajanabee main ajnabee
Phir bhi mulaakat hai
Ye soch ne ki baat hai hai na
Ye soch ne ki baat hai
Tu kaun hai main kaun hu

Wo dil nahi jise
Kisi ka pyaar na mile
Wo dil nahi jise
Kisi ka pyaar na mile
Wo bahaar kya hai
Jismein koi phool na khile
Phool na khile
Hai pyaar bhi bahaar bhi
Mausam bhi apne sath hai
Ye soch ne ki baat hai hai na
Ye soch ne ki baat hai
Tu kaun hai main kaun hu

Aahaa.. Hoo..
Jo tere dil mein baat hai
Wo jaanti hu mein
Jo tere dil mein baat hai
Wo jaanti hu mein
Nazar ki har zubaan ko
Pahechanti hun mein
Pahechanti hun mein
Kah do agar nahi magar
Kuch aisi waisi baat hai

Ye soch ne ki baat hai hai na
Ye soch ne ki baat hai

Tu kaun hai main kaun hu
Phir tera mera saath hai ye
Ye soch ne ki baat hai hai na
Ye soch ne ki baat hai
Tu kaun hai main kaun hu.
