

Tum Kaun Ho Lyrics

English

Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum pehali pehchaan ho, dil ke tum mehmaan ho
Saanson par chhaane lagi, dhadkan ho ya jaan ho
Dil ho, ya dil ke kaatil ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum pehali pehchaan ho, dil ke tum mehmaan ho

Saanson par chhaane lagi, dhadkan ho ya jaan ho
Dil ho, ya dil ke kaatil ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more

Lage kyun ho pichhe tum aankhon ko meeche
Baatao tumhi kya saja du tumhe
Tumhe pyar karna najar char karna
Agar tum kaho toh sikha du tumhe
Na main tumhe jaanu, na main pehchaanu
Toh phir ghar ka kaise pata du tumhein
Tum pehali pehchaan ho, dil ke tum mehmaan ho
Saanson par chhaane lagi, dhadkan ho ya jaan ho
Dil ho, ya dil ke kaatil ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho

Tum kaun ho, tum kaun ho, tum kaun ho
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more
Listen to the falling rain, listen to it fall
And with every drop of rain, i love you more

Sharaarat buri hai, yeh aadat buri hai
Samajh jao yu mat sharaarat karo
Mohabaat hi sab hai, mohabbat hi rab hai
Hai yeh toh ibaadat, ibaadat karo
Hasi ko yeh chehara jo najar tumhe aaye
Mera mashvara hai, gila mat karo
Tum pehali pehchaan ho, dil ke tum mehmaan ho
Saanson par chhaane lagi, dhadkan ho ya jaan ho
Dil ho, ya dil ke kaatil ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho
Tum kaun ho, tum kaun ho, tum kaun ho.
