English

Tum sainyya gulaab ke phool
Huyi kyaa hamse bhool

Tum sainyya gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale
Tum sainyya gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale
Ho sainyya

Man mein karo na piyaa itna vichaar
Meethhi meethhi laage pyaar mein taqraar

Meethhi meethhi laage pyaar mein taqraar
Tum roothho piyaa roothho
Chaahe roothho hazaaron baar
Manaan dildaar
Kyun nazren mod chale
Kyun naataa tod chale
Tum sainyya gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale
Hoy sainyya

Aaj nahin maane to
Aaj nahin maane to
Main zara na daroongi
Zahar piyungi
Khadi khadi hi maroongi
Aaj nahin maane to

Main zara na daroongi
Zahar piyungi
Khadi khadi hi maroongi
Tumne hamse
Piyaa hamse
Kaahe hamse milaaye nain
Churaayaa mera chain
Karejwaa nichod chale
Kyun naataa tod chale
Tum sainyaa gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Naataa tod chale
Hoy sainyaa

Tum ko manaaye khadi naar ye haari
Maano maano piyaa
Tum jeete main haari
Tum ko manaaye khadi naar ye haari
Maano maano piyaa
Tum jeete main haari
Maaf kar do
Maaf kar do
Maaf kar do hamaari bhool
Charan ki hoon dhool
Jo sang sang daud chali
Kyun naataa tod chale
Tum sainyaa gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale
Hoy sainyaa
Tum sainyaa gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale
Tum sainyaa gulaab ke phool
Huyi kyaa hamse bhool
Jo hamko chhod chale
Kyun naataa tod chale.
