

Twin Flame Lyrics

English

Hello, oh yeh
A-shock music

Yeh yeah

Aa liya re
Pardhaan!

All day tujhe miss karoon
Call na teri koi miss karoon
Tu meri ban jaaye
Main tera ban jaan
Yahi toh bass wish karoon

Hello hello
All day tujhe miss karoon
Hello hello
Call na teri koi miss karoon

Hello hello
All day tujhe miss karoon
Hello hello
Call na teri koi

Itni zyada perfect
Bohat zyada better
Please god bless her
Ghani sutheri se

Itni zyada perfect
Bhot zyada better
Please god bless her
Ghani sutheri se
Show me your feathers
Oh meri angel
Lage heaven se utari ho

Mujhe fairy tale mein shaamil kar lo
Badalon mein chota sa ghar ho
Kare candle light dinner hum dono
Chale music mellow mellow

Hello hello
All day tujhe miss karoon
Hello hello
Call na teri koi miss karoon

Hello hello
All day tujhe miss karoon
Hello hello
Call na teri koi

Beauty with the brain
Voice sugar cane
Style so high
Meri merijane
Main tera twin flame
Tu meri twin flame
Tu meri dream girl
Same to same

Kya bolun tu kitni appealing hai
Cloud 9 pe chadhi meri feeling hai
Tu killing hai tu chilling hai
Tu meri happyness ki meaning hai

Aye lots of vacay
Aye saath grow karenge
Aye please be my bae
Aye cheating baby no way

All day tujhe miss karoon
Call na teri koi miss karoon
Tu meri ban jaaye
Main tera ban jaaun
