## English

Unstoppable...

Unstoppable...

Life se aa gaya tha woh tang  
Haar ke baj rahe the shankh  
Sab kuch ho gaya tha bhasam  
Sab jaante the, he is done  
Sapne yun huve the dump  
Ki khud pe aati thi sharam  
Kaash thoda dum dikhaya hota  
Maine kam se kam!

Hanste hain pados aur  
Hanste hain saare dost  
Manaata hai afsos  
Kismat ko kose saala roz  
Lyricsbogie.com  
Galti nahi thi I suppose  
Dad ka hi tha saara dosh  
Par asliyat kya thi he knows  
Ki kamzor tha woh off-course

Aage sab kuch hai kathin  
Time ne diya tha ye hint  
Agar asaan hota to win  
Toh har koi hota Shahrukh Sachin  
Intezar tha shayad ik din  
Aayega Alladin ka koi Jin  
Kahega jaago neend se king  
Ye raha plane mein aapka dream

Woh jaanta hai wo kar sakta hai  
Auron se behtar  
Par gir jaane ke darr se  
Nahi khol pa raha hai woh par

Kyun dhoondhta hai bahar  
saale koi bhi answers  
Jawaab teetar beetar pade  
Saare tere hi bheetar

Hai zara sa tujhme dum  
Toh utha kadam  
Bhale na rahe koi sang  
Kaun hai be log ye jo ye bolte  
That it's just not possible  
Bas itna jaan le ki ab kaam ke hain  
Tere aansu aur ye darr  
Unhi se tu chala hai iss raaste  
Aur bana Unstoppable!

Zindagi mein pressure kam nahi hoga mere bhai  
Bada sapno ka size toh  
Bada price of sacrifice  
Mat le tu sabki raai  
Koi nahi chahta hai bhalaai  
Karta ja left aur right  
Just don't wait for perfect time

Jo jungle mein neeyam hai  
Waise hai sab aaj bhi  
Jo ladega woh badhega  
Jaanwar yaa aadmi  
Nazrein ho baaz si  
Aur taaqat ho baagh si  
Khata hai maans hi  
Par samay par ghaas bhi

Kaise bhool gaya looser keh kar  
Usne kiya tha khatam  
Aur chhat se almost  
karne hi tu wala tha na jump  
Bhott zyada jaldi nahi bhar gaye  
Chhote tere zakhm  
Ya nahi hai tujhme dum  
Ya phir bada hai tu besharam

Tujhe idea nahi kya kar sakta hai  
Chhote tera faith  
Jab aankh khuli toh morning hai  
You never ever late  
Karta ja tu mistake  
Par bharta ja saare page  
Saare aansu ka hisaab hai saale  
Kuch ni hoga waste  
Khud ki ho kadar toh  
Khud hi ho jaye gadar  
Ab na hoga sabar  
Wahaan par khudi hai qabar  
Aaj karna hai  
Abhi do or die  
Now or never  
Mother saamne khadi hai  
Gadhe look into the mirror

Hai zara sa tujhme dum  
Toh utha kadam  
Bhale na rahe koi sang  
Kaun hai be log ye jo ye bolte  
That its just not possible  
Bas itna jaan le ki ab kaam ke hain  
Tere aansu aur ye darr  
Unhi se tu chala hai iss raaste  
Aur bana Unstoppable

Main bichara hoon  
Mujhe please de do na mehngi bike  
Main kuch bhi nahi kamata hoon  
Will you be my wife  
ha ha ha...

Kisi ko nahi jaan'na ki  
Kitti sad hai teri life  
Yahaan sirf aur sirf  
Result hi bas chalte hain mere bhai  
Fark nahi hai middle class hai  
Yaa family gareeb hai

IQ tera weak ya dume ka mareez hai

Its okay mauze mein chhed hai  
Yaa phati hui kameez hai  
Tu mota hai ya kaala hai  
Ya dikhne mein ajeeb hai  
Pareshan hai par maa se kehta hai  
Maa, Yahaan par sab kuch theek hai

Sab training ka part hai pagle  
Sab ye saali seekh hai  
Mat samajhna naseeb hai  
Sab temporary taqleef hai  
Koi rok nahi payega chhote  
Jab tak chhote zinda ye belief hai

Thoda kam akal hoon  
Par ziddi aajkal hoon  
Main hi thi samasya  
Ab main hi saara hal hoon  
Haarne mein awwal hoon  
Tabhi toh ab safal hoon  
Mat karna tum takkalluf  
Main ab unstoppable hoon

Khad khad sapne khadkaaye  
Phad phad dil parr phadkaye  
Dhoondhe kuch kar jaane ke raaste  
Baaqi baatein sab farzi  
Sapno ki hai khudgarzi  
Jeete hain unn lamhon ke waaste

Hai zara sa tujhme dum  
Toh utha kadam  
Bhale na rahe koi sang  
Kaun hai be log ye jo ye bolte  
That its just not possible  
Bas itna jaan le ki ab kaam ke hain  
Tere aansu aur ye darr  
Unhi se tu chala hai iss raaste  
Aur bana Unstoppable

Unstoppable!

Unstoppable!.
