English

14 saal meri umar thi haan
Pata chala meri likhai mein hunar thi haan
Itni baar mere sapno ko kuchal diya
Par gaano se jalayi maine kuch arthiyan

Hustle kiya maine kaam nahi roka
Mujhe kitnon ne bola tera kaam nahi hoga
Par aaj aisa koi naam nahi hoga
Jisne suna mera kaam aur salaam nahi thoka
Laya bars! Main to kabhi dara nahi beat se
Kabhi bhaaga nahi kabhi hata ni peeche haan
Yeh bole ye layenge gang
Main bolun bhai laan do jaise enrique

Suni mene bhi logon ki bakwaas hai
Woh jo karein 10 baat par kabhi na sach baat
Jaata tha main school haan leke bus pass
Ab jahaaj mein baithun kabhi kabhi first class

Jazbaat rakhe kabu mein haan
Jab mere gaane chalaye ni dj wale babu ne
Haan gurgaawan katta baaju mein haan
Chhore samajh na aave tanne maaru mein kya
Underground jaise jahanum mein haan
Maine de di inhein maut jaise kanoon hai haan
Aur kari maine mehnat, kari maine grind up
Kiya dollar tujhe maloom hai na

Pareshani huui inhe mujhe dekh ke
Socha nahi itne log bhi yahan fake the
Ab dekh ke karenge mujhe hate yeh

Par deta nahi main f*ck
Jaise bandi pehle date pe

Head strong mera will nahi toda

Maine chilam jalayi koyi mila nahi bhola
Haan krsna kabhi kill nahi hoga
I am married to the game uska dil nahi toda

I swear, main ghehri neend nahi soya
Maine rakha vishvas apna deen nahi khoya
I swear, inhe chahiye us ped ka phal
Jis ped ka saalon ne kabhi beej nahi boya

I swear, suan maine mujse ye baat chahte
Baat kar lodu kabhi ghar se tu baahar aake
Inki jali ban na paaye parivaar wale
Sunhere rang ke jalpari baal wale
Meri taraf bhej sab tu

Barbaad karun tera sab main
Main koyi ladka ni halka
Main ladka ni kal ka
Main ladka jo pada bhaari 12 barsh se

Dekho dekho dekho bhaage dar se
Dekho dekho dekho aankhein tarse
Jo 2009 mein kara tha club show main
Tab to batao bhai aap kidhar the

Main hi wo jisne sab jala daala
Kabristaan mein tera maqbara daala
Rapping ka tune haq gawaa daala
Maine hindustan mein phir se buzz bana dala
Hip-hop mein aa raha tha bhag bhaga dala
Hip-hop mein aa raha tha bhag bhaga dala
Youtube to maine p*rn hub bana daala

Dekh kaun aaya wapas ab
Chhod de kalam, kar na zaaya kaagaz ab
Mere jaisa ban na paaya gaayak, jalaya fire
Jaise laaya riot ab
Why you quite, talk a little bit more

I am from the land of the militant war
South london raise, i am killer with bars

But you are missing the point
Like the pyramids are, no cap!

Bakc**di kare, kabhi na rap kare
Jinki ego itni badi, follow back na kare
Backstab kare, kabhi tag na kare
Isliye inke sath saiyaan dab na kare

Laaya main fire jaise shabana aazmi
Isliye gaane sunke jale saare aadmi
Krsna tha yahan beta tumse pehle
Aur kr\$na hoga yahan tumhare baad bhi.
