

Uthale Ya Phenk De Lyrics

English

I got a ring on finger
My heart wana swing

I got a ring on finger
My heart wana swing

I got a ring on finger
My heart wana swing

Its not my fault
I need my space
Bedroom mein sote nahi face to face
Commitment ka kya matlab hai
Saath saath sona
Saath baith t.v dekhna
Same old rona dhona
Kitna kuch hain karne ko
Give me a break give me a break
Relationship is like a made or break
Leave it or take it
Leave it or take it

Juhu mein long drive
Back seat wow wow

Kitchen mein shower mein
Everything now now
Par ab to time nahi hain
Pressure hain dabaao dabaao..
Uthale ya phenk de
Lele ya chod de
Uthale ya phenk de
Lele ya chod de
Uthale ya phenk de
Lele ya chod de
Uthale ya phenk de

Lele ya chod de

O laa o laa ee
Uthale ya phenk de
Lele ya chhod de

O laa o laa ee
Uthale ya phenk de
Lele ya chhod de

Now there is lil story
I m about to tel
About 3 bad boys
You know so well
I been dreamin mylife
Like booty on da sea shore

Dil ka patiya
Just wana play this game more
Holdin back for da ladies i know yo
Comon honey i ll let you go no no

Yes sir i got my wife preserve
I got a ring on figer
My heart wana swing

Yes sir i got my wife preserve
I got a ring on figer
My heart wana swing

Now my life is a missed call

Tere mere beech mein hain china ki wall
Ab to neighbour ka husband bhi
Achchha lagta hain
Friend ki wife ka kutta bhi
Beautiful lagta hain

Duniyaa bhar mein sab kude
I wanna job you wanna job

Hawwa ka hot is gubbare mein
I wanna a pump you wanna pump

Pehle to over size figure bhi hai wow wow
Meri inch bhi hain jyada to ghataao ghataao
Kaisa hain confusion
Bachaa bachaa bachaa
