English

Oh sukh devda char kude
Muh hoje khaake laal kude
Latt laagdi aise di
Naa changi lagdi daal kude

Aihi karobaar sadda
Aihi karobaar sadda
Mere baapu te mere dade da

Tera yaar bechda tera yaar bechda
Achaar kude kade aanwale da kade aadhe da
Yaar bechda achaa kude
Kade aanwale da kade aadhe da

Oh kaam ni jaani kakhaan da
Main achaa bechda lakhhan da
Oh kaam ni jaani kakhaan da

Main achaa bechda lakhhan da

Mere thalle kaam kare
Mere thalle kaam kare
Ik pehiya rakhiya baawla jeha

Tera yaar bechada tera yaar bechda
Achaar kude kade aanwale da kade aadhe da
Yaar bechda achaa kude
Kade aanwale da kade aadhe da

Bada swaadi achaa kude
Tu ghar ton aaja bahar kude
Gaajar naal karela nimbu
Bihde naal rela ni

Aau dekhi aanad bada
Aau dekhi aanad bada

Roti de naal khaane da

Tera yaar bechada tera yaar bechda
Achaar kude kade aanwale da kade aadhe da
Yaar bechda achaa kude
Kade aanwale da kade aadhe da

America vich karobaar kude
Sipaara hi jaanda achar kude
Bill gates varge bhi
Mainu dekh ke khande khaar kude

Gore goriyan fan de meriyan
Gore goriyan fan de meriyan
Kaam ni karde laame da

Tera yaar bechada tera yaar bechda
Achaar kude kade aanwale da kade aadhe da
Yaar bechda achaa kude
Kade aanwale da kade aadhe da

Oh khatta meetha aanwla ni
Naa uthhe thalle tola ni
Gill gill ki hundi aan
Painda ranna vich rola ni

Dukh torda umraan de
Dukh torda umraan de
Kinna faayda khaane da..

Tera yaar bechada tera yaar bechda
Achaar kude kade aanwale da kade aadhe da
Yaar bechda achaa kude
Kade aanwale da kade aadhe da.
