Hathan vich hath  
Ik dusre da fadeya te  
Bada sohna raah houga

Hathan vich hath  
Ik dusre da fadeya te  
Bada sohna raah houga

Mainu lagda dova da saada adiye  
Badi chetti hi viah houga  
Pair mere lagne na dharti de utte  
Naale tenu bada chaah houga

Lagda dova da saada adiye  
Badi chetti hi viah houga

Mummy meri kall teriyan  
Siftan bohot se kardi  
Nooh howe taan howe  
Khendi howe tere wargi

Lehnge tere utte ni  
Sitaare jade honge  
Ni din vich odan ni  
Taare chadde honge

Ni din vich odan ni  
Taare chadde honge

Jedi kattheya nu dekh

Teri machh di saheli  
Dil ohda vi swaah houga

Jedi katthe saanu dekh  
Teri machh di saheli  
Dil ohda vi swaah houga

Mainu lagda dova da saada adiye  
Badi chetti hi viah houga  
Pair mere lagne na dharti de utte  
Naale tenu bada chaah houga

Lagda dova da saada adiye  
Badi chetti hi viah houga

Tu suit sawaye karne  
Mere naal matchinga karke  
Tohar banaya karni tu  
Baah mode utte dharke

Gill tera tere layi  
Ni aam ho jauga  
Ni rony rony tera  
Ni gulaam ho jauga

Ni rony rony tera  
Ni gulaam ho jauga

Sat janma da tere naal saath sohniye  
Ni munda kade na juda houga  
Sat janma da tere naal pyar sohniye  
Ni munda kade na juda houga

Mainu lagda dova da saada adiye  
Badi chetti hi viah houga  
Pair mere lagne na dharti de utte  
Naale tenu bada chaah houga

Lagda dova da saada adiye  
Badi chetti hi viah houga.
