## English

Vichode jinah de yaar de jaande  
Uho jeoundiyan jee mar jaande  
Vang sudaaiyan  
Yaar di yaad vich  
Ronde te kurlaonde

Preet de naal koi akhiyan na laye  
Rog hi jarda sadiyan sataye  
Preet de naal koi akhiyan na laye  
Rog hi jarda sadiyon sataye

Vichodiyan ne maar liya kiven  
Jeevan mainu samajh na aaye  
Vichodiyan ne maar liya kiven  
Jeevan mainu samajh na aaye  
Kiven jeeyun mujhe samajh na aaye

Zeher haththi kho liya  
Thoda jinna pyar deke  
Saara sukh kho liya  
Na main jaagan na main sovan  
Chori sajjana to rovan  
Sunjhe aasan vaale boohe  
Kade khola kade thova  
Sajjan bekadari di mainu  
Har dum yaad sataye haye  
Kiven jeeyun mujhe samajh na aaye

Pyar wali khed khedi  
Jhalle ho gaye haan  
Aisa kitta pyar asi  
Kalle ho gaye haan  
Pehlon has has laayiyan  
Phir ditiyan judaaiyan

Mere pyar diyan uhnde  
Zara kadaran na payian  
Sachcha yaar kehnde  
Uhnu jehda lagiyaan di laaj nibhaye  
Hay jehda lagiyaan di laaj nibhaye  
Hay kiwen jeevan mainu samajh na aaye  
Hay kiwen jeevan mainu samajh na aaye  
Hay kiwen jeevan mainu samajh na aaye  
Hay kiwen jeevan mainu samajh na aaye.
