

Vroom Vroom Lyrics

English

Simranjeet!

It's yo boy badshah

Kudiye tu behja in my car
Chup karke tu baby baby
Tenu leja iss duniya te door
Dil kar tu mere naam kar tu lady lady

Gaddi khinchanga main second gear te
When you sittin' in my car
Teri adaavan mere dil utte
Sohni houli houli kardi ae vaar

Tenu kinni akheya main
Dil kar mere na tu kude
Jadon vekheya main tenu mera hoya bura haal
Mere dil te waar kare, car kare...
Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom dil te waar kare, car kare

Hathan ch hath phad ke
Yaaran di reej puri kar de
Jadon vekheya main tenu mera hoya bura haal
Mere dil te waar kare, car kare

Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom dil te waar kare, car kare

Vroom vroom, vroom vroom
Vroom vroom, vroom vroom

Vroom vroom, vroom vroom
Vroom vroom, vroom vroom
Vroom vroom dil te waar kare, car kare

Gaadi meri mein seat do
Kaafi low, chale slow
Tujhe dekh kar nahi toh chale tezz
Do cheeze mujhe lagti hain sexy
Ik tera aur ik meri gaadi ki woofer ka bass!

Karti ishaare tujhe gaadi ki awaaz
Baby kaali meri gaadi
Tera kaala hai libaas
Baby nakhre na kar jaldi decide kar
Aaja beth jaa naa.. Ride kar

Gaadi two seater, banda main alone
Mujhse tu baat kar, kya dekhti hai phone
Aaja mere paas mein
Daal doon chabi tere ignition mein
