Dil di jagah tu hi pal pal dhadakta hain
Bhulke vi yaara tu nahi hona juda

Haqdaar tera hon harbaar tera hoon
Ab loon janam chahe main 100 dafa

Duniya saari chhad ke chaleya
Teriyan raahan teriyan galiyan
Tere sadd ke sab main waareya

Jis din se tu sanu mileya
Main tere piche piche turreya
Tere saddke sab main waareya

Mujhse hazaron hain tujh sa nahi koi
Main hoon sitara tu chann hai mera
Mainu khuda teri ankhan ch disda ae
Kivein karaan tera main shukriya

Jis vi nahi raatan hai woh sawera tu
Badle kade vi na mausam tera

Khushiyan teri main gham rakheya
Mar jaana main jeh tu ruseya
Tere sadd ke sab main waareyan

Rishtey saare naate chhadeya
Sab main vaare tu vi sacheya
Tere sadd ke sab main waareya.
