I am so wavy
My head spinning like a fan
Call me crazy

Listen baby
Teri dark skin te thoda tan
Akhiyan sharabi
Tere toonehari nain

My head spinning like a fan
Call me crazy
I don't care what loki kehan
Listen baby

To know i do on the daily
The mixtures these liquors

Just coz i am humble
Don't mean i start no trouble
Everyday is a struggle
So we hussle
Can't get no where being lazy
Oh no low fat for my brain is moving in slow mo
Don't know a guy hear hum aa go ho
One thing is for show though
That we go low
One day everybody go no
