

What Can I Do Lyrics

English

Emiway bantai
Maloom hai na
Ha ha ha ha

Hey 2021 takeover

Bahot sara hype hai apne paas bro
God bless uh hope you all grow
Patte chupake rakhela
Nahi kar raha show nahi bolna bro
Agar tere woh dil se na ho
Vibe nahi match kare milte nahi bro
Jagah full pakde le hilte nahi bro
Sab kare copy mera tareeka what can i do

What can i do what can i do
What can i do yo
What can i do i got the views
They wanna walk in my shoes

What can i do what can i do
What can i do yo ae
What can i do i got the moves
They wanna walk in my shoes

Chapne do bhai..
Chapne do bhai
Style mera dhapne do bhai
Fame ke bhook mein kar rele nakli lada
Rapper log ban rele bhai
Kya toh sikhaye tumlogo ke gaane se
Ek hi baat batarele ye zamane se
Farak nai padta mujhe abhi kisi ke jaane se
Dil ko sambhal warna toot jayega
Kisi ko chahne se

Bahot kuch seekhaya main logo ko gaane
Bandhiya bhi toh marti apne gaane pe
Aise ich thodi na alag wajah
Apan aye le cash deke gaadi pe
Selected public invited hai party pe
Dikhna tha smarty toh kam ki daadi main
Haters log latakarele mere naadi pe
Inkyamaakya apan ich hard hai bey

Bahot saara hype hai apne paas bro
God bless uh hope you all grow
Patte chupake rakhela
Nahi kar raha show nahi bolna bro
Agar tere woh dil se na ho
Vibe nahi match kare milte nahi bro
Jagah full pakde le hilte nahi bro
Sab kare copy mera tareeka what can i do

What can i do what can i do
What can i do yo
What can i do i got the views
They wanna walk in my shoes

What can i do what can i do
What can i do yo ae
What can i do i got the moves
They wanna walk in my shoes
Chapne do bhai

Itne views lana lala tere bas ka nai
Seedha shot dete bala khota bajta nai
Sadak ki boli lekin daam apna sasta nai
Nakli swag video mein lala jachta nai
Karne kar par asal wala feel la
Emiway fan base dekh ke
Beta sabka bheja hilla
Diss gane fekde toh chaddi bhi gilla
Naklipan video mein aur koi ni milla?

Ye bhai bante video mein
Apan kulfa karate aise logo ko audio mein

Jis jis se bhidjate us us ko pel dete
Baki jo firak mein baithale unlog ko
Tel dete bolte chal masal
Apan hai asal logo ko pasand
Har ek gana apna rehta jashan
Bakiyo ki baatcheet la*da aur lassan
Mere ko ni pasand inlog ki soch

Apni toh public hai dost
Vip meeting no easy approach
Kaise kiya main ab baithke tu soch
Main mere dost kamare fattey
Kamare fattey..
Blessing hai life machare fattey
1 number bhai
Nai chahiye advice
Nai nai nai..

Ua bitch is my ex bro
M receiving text bro
It's my turn to flex bro
I own what i manifest bro
So so many eyes on me blessed bro
I got no time to waste bro
If uh wanna move
There are so many ways bro
I am living my life at the best bro
Let's go

Bahot saara hype hai apne paas bro
God bless uh hope you all grow
Patte chupake rakhela
Nahi kar raha show nahi bolna bro
Agar tere woh dil se na ho
Vibe nahi match kare milte nahi bro
Lyricsbogie.com
Jagah full pakde le hilte nahi bro
Sab kare copy mera tareeka what can i do

What can i do what can i do

What can i do yo
What can i do i got the views
They wanna walk in my shoes

What can i do what can i do
What can i do yo ae
What can i do i got the moves
They wanna walk in my shoes

Peace out!
