

# What The F Lyrics

---

## English

Dhooein mein hai jahaan  
Nasha yeh raat ka darro  
Na tum yaha khoye  
Hain sab yehi ya  
Lyricsbogie.com  
Mil gaya hai sabko yeh rasta

Just tonight its on  
Just cant make its over  
We re gonna find a way now  
Rok sako toh mujhe rok lo lo lo  
I m going down down down  
What the f is going on  
Cant slow down  
What the f is going on  
I didn t see  
What the f is going on  
I am fallen over oh cant you see

Bolo main kya karoon  
Dekho meri jaan hai  
Botalon mein bandh yaha  
Subah hai ya shaam hai  
Din hai ya raat hai aisa hai  
Yeh kya nasha  
Just tonight tonight  
Gonna take it over  
Im gonna get you high now  
Yeh jo raaz hai tum jaan lo lo lo  
I am going down down down  
What the f is going on  
Cant slow down  
What the f is going on  
I didnt see  
What the f is going on

I am fallen over oh cant you see

Just tonight just can be  
Sahi hai galat hai kya  
Woh bhool jaao  
Kar lo tum nasha  
Kash bhari aankhon se  
Duniya ko dekho  
Usme hi hai mazaa  
Just tonight tonight  
Gonna take it over  
I' m gonna get you high now  
Yeh jo raaz hai tum jaan lo lo lo lo

I m going down down down  
What the f is going on  
Cant slow down  
What the f is going on  
I didnt see  
What the f is going on  
I am fallen over oh cant you see  
Going down down down  
What the f is going on  
Cant slow down  
What the f is going on  
I didnt see  
What the f is going on  
I am fallen over  
Oh cant you see.
