Ho kaaliyan si ainakan

Te kaale khulle baal si

Marjaani de ni teen chaar hor naal si

Ho kaaliyan si ainakan

Te kaale khulle baal si

Marjaani de ni teen chaar hor naal si

Pub chakkdi pub chakkdi

Taan wallah paave

Ho whisky de peg wargi

Peg wargi peg wargi

Ho kudi akhan naal sharaabi kare jaave

Ho whisky de peg wargi peg wargi

Ho kudi akhan naal sharaabi kare jaave

Ho whisky de, ho whisky de

Ho whisky de peg wargi ho

Ho phirdi ae keel diyan munde jach jach ke

Main taan dang sutteya oh tussi reho bach ke

Yeah one more time!

Ho phirdi ae keel diyan munde jach jach ke

Main taan dang sutteya oh tussi reho bach ke

Ho dang saamne da jhalleya na jaave

Ho whisky de peg wargi

Peg wargi peg wargi

Ho kudi akhan naal sharaabi kare jaave

Ho whisky de peg wargi peg wargi

Ho kudi akhan naal sharaabi kare jaave

Ho whisky de, ho whisky de

Ho whisky de peg wargi ho

Haaye ni mainu do-do diss diyaan ne
Sohniyan naaran husan sarkaran
Pata ni chalda kise vi gall da
Main phirda khoya

Yaar pub jehe lagde na
Gaya oh cheer nazar da teer
Naina chon peeke
Ho bhull gaye saleeke sharaabi hoya

Lagdi shehron london to
Lagdi shehron london to
Je ho jaye nikli style bana ke
Jatti sadde 5 foot di
Goriyan rakhdi side te laa ke

Ho chakk lo mainu oye!

Ho whisky de, ho whisky de
Ho whisky de peg wargi
Peg wargi peg wargi
Ho kudi akhan naal sharaabi kare jaave
Ho whisky de peg wargi peg wargi
Ho kudi akhan naal sharaabi kare jaave
Ho whisky de, ho whisky de
