

Whole Day Whole Night Lyrics

English

Whole day whole night dil
Tarse jane sawan kab barse
Whole day whole night dil
Tarse jane sawan kab barse
Meri janam milege kab
Hum chala na jaye
Kahi ye mausam
Chala jayega jaha ye
Mausam chale jayege
Waha hum balam balam
Whole day whole night dil
Tarse jane sawan kab barse
Whole day whole night dil
Tarse jane sawan kab barse

Mere sine se mera dil nikala
Teri aankho mein mera dil duba
Na mere jaisa na koi aashik hai na
Tere jaisi koi mahbubato
Mera kya kahana tera kya
Kahana shabnam shabnam
Agar tu sola to main hoon
Shabnam shabnam shabnam
Whole day whole night dil
Tarse jane sawan kab barse
Whole day whole night dil
Tarse jane sawan kab barse

Mujhe rahana hain teri aankho mein
Mujhe duniya mein nahin rahana hain
Kasam hain teri kaha jo tune
Mujhe bhi tujhse wahi kahana hain
Duaye mango kaho ye
Rab se kara de jaldi hamara
Sangam sangam sangam

Meri janam milege kab
