

Will You Be My Bad Boy Lyrics

English

Hey girl, hey boy
Would you be my baby doll
Lyricsbogie.com
If you promise to be my bad boy
A lover you and me be my bad boy
Could you be my bad boy, i will be ur bad boy
Could you be my bad boy, i will be ur bad boy
Could you be my bad boy, i will be ur bad boy

Hain zara tikhi tikhi hain zara mithee mithee
Hamko naa mar dale yeh adaaye kisikee
Allah bachaaye ishq aisee bala hain
Allah bachaaye ishq aisee bala hain
Jo bura hai woh dil ko lagta bhala hain
Jo bura hai woh dil ko lagta bhala hain

Am gonna give it toh you once and for all
You can play with me i am ur babydoll
You will be my babydoll, i will be ur babydoll
You will be my babydoll, i will be ur babydoll
You will be my babydoll, i will be ur babydoll
Ham jahan mil rahe ho aisee koyee jagah ho
Log ho khub sare sabki hampe nigah ho
Karna hai woh jo naa kisine kiya hain
Karna hai woh jo naa kisine kiya hain
Jo bura hai woh dil ko lagta bhala hai
Jo bura hai woh dil ko lagta bhala hai

Ishq iss overtake i am keeping you suck
Out of control i would be
Freaking you n kicking it up
Would you kiss a shark
We can do it all public do it all alone
Could be a secret do it on a cell phone
From the car toh the elevator

Down toh the couch
From the floor toh the bed
We could be freaking it up
Aha u are addicted toh my love life
Aha keep ur wicked and rough like
Wait till u get enough light, aha aha
Aha u are addicted toh my love life
Aha keep ur wicked and rough like
Wait till u get enough light, aha aha

Tere khwabo mein lipti rat ban jaaungee main
Aa mujhe ched de too saj ban jaaungee main
Kaisa junun hain jane kaisa nasha hain
Kaisa junun hain jane kaisa nasha hain
Jo bura hain woh dil ko lagta bhala hain
Jo bura hain woh dil ko lagta bhala hai

Hain zara teekhi teekhi hain zara mithee mithee
Hamko naa mar dale yeh adayen kisikee
Allah bachaye ishq aaisi bala hain
Allah bachaye ishq aaisi bala hain
Jo bura hain woh dil ko lagta bhala hain
Jo bura hain woh dil ko lagta bhala hain

Would you be my bad boy, i will be ur bad boy.....
