

Will You Marry Me Lyrics

English

Kehane ki toh baat nahin hain
Phir bhi raha na jaaye
Will you marry me
Will you marry me
Will you marry me
Will you marry me
Ho o o o kehane ki
Toh baat nahin hain
Phir bhi raha na jaaye
Will you marry me
Will you marry me
No yeh no no sorry ji
No no sorry ji no

Tak tak tak tak gayi meri jawaani
Abb tak abb tak baat na meri maani
Kaise khade ho gum sum
Mard khaan ke ho tum
Kyun sharmaata hai
Aa na na ja na ja aa ja
Le le apni baahon mein
Abb mujhase chala na jaaye
Will you marry me please
Will you marry me
No yeh no no sorry ji
No no sorry ji
Kehane ki toh baat nahin hain
Phir bhi raha na jaaye
Will you marry me
Will you marry me
Yeh chup no no sorry ji
No no sorry ji no

Ruk ruk ruk chhod bhi de yeh sorry
Warana waapas aayegi na baari

Mauke se muh ki mode
Dariya mein pyaasa chhode
Kyun ghabraata hain bhadhate
Bhadhate bhadhate bhadhate
Gale gale tak aa gaya
Paani tair saku na haay
Will you marry me
Will you marry me
No yeh no no sorry ji no no sorry ji
Kehane ki toh baat nahin hain
Phir bhi raha na jaaye
Will you marry me
Will you marry me
Are ja na yeh no
No sorry ji no no sorry ji.
