

Woofers (Title) Lyrics

English

Wajda woofers
Aan boohay vich
Wajda woofers gaddi 'ch

It still ain't nuthin' but a 'G' Thang
'G' thang!
'G' thang!
I jumped out of the car, let the beat bang

Wajda woofers gaddi ch
Pehndi dhamak gali vich saari
Aan boohay vich khad jaavey
Teri mittran de naal

Mumbaiiii, Lets Go...
Wajda woofers gaddi 'ch
Zeus
You got what I want
What I want is what you got

Aan boohay vich khad jaavey
What...
Big up as we have snoop dogg in the house yea

Wajda woofers gaddi 'ch
Pehndi dhamak gali vich saari
Say what?

Aan boohay vich khad jaavey
Bro! Bro!
I told you moth****s that I just can't stop
O o o...
I jumped out the car let the beat bang
It still ain't nuthin' but a 'G' Thang
With that heat man, I stand tall
Homie out of pocket get yo man dawg

Your girl in love with a crip cuz
I seen her on the pole at a strip club
Scoopin up money in a trash bag
Long weave, ass fat
All on a n*gga tip
Drip drop, drop drip
Look at these hoes all over a pimp
My system thump, woofers knock
Hustlin for the money like I'm working the block
I told you moth**s that I just can't stop
You punch the clock
See I just aim and pop and set up shop
Until I make the beat go pop

Wajda woofers gaddi 'ch
Pehndi dhamak gali vich saari
Aan boohey vich khad jaavey
Teri mittran de naal yaari

You got what I want
What I want is what you got
You know what to do
Coz you drop it like its hot
Everybody knows it's Zeus in the spot
Repping east n west
Wooferrr!

Smoking on my vapour
Piling up my paper
Thats right
Smoking on that vapour
Lyricsbogie.com
Stacking up that paper..

It still ain't nuthin' but a 'G' Thang

Gali teri aa ke dil ho jaye baago baag ni
Chakki jaye speaker-aan di sohniye
Jaggi Jagowal kurrey
Patteya teri dildari
Woofers gaddi 'ch

Pehndi dhamak gali vich saari
Aan boohay vich khad jaavey
Teri mittran de naal yaari

What?

Woofers gaddi 'ch
You got what I want
What I want is what you got
Aan boohay vich khad jaavey
Lets go!
You know what to do
Coz you drop it like its hot

Woofers...

Woo woo woo...
