

Yaadein (Title) Lyrics

English

I don't what is wrong with me,
Aur kyun hoon main itna bechain,
Kise karun complain?
Kispe daalu main ye blame?
Kyu ho rahe mere saath mein,
Saare mind games,

Dost ban gaya ab ye saala pain,
Ab bhaad mein ja life ke saare aim,
Roz main khud se kehta hoon,
That you just needs to relax, dino james,

Main bhi chahta hoon hamesh khush rahoon,
Aur ye faaltu ke thoughts se door rahoon,
Par ye moti lohe ki zanzeeron se,
Koi idea hai main kaise chootoon,

Dimaag ki maine laga di hai,
Ye kaun sa khayal itna haavi hai,
Maa-baap ka sochke main zinda hoon,
Baaki jeene ki koi wajah nahi ab baaki hai,

Jaane kyu badal raha hai mera point of view,
Main andar se zara bhi khush nahi hoon,
Aisa lagta hai kisi ne ek bada sa screw,
Nikala huya hai mere dil ke through,

Kabhi lagta hai use main janta hoon,
Fir nahi milta hai mujhe koi clue,
Wait, don't tell me ke ye tu hai,
Hello baby, is it you?

Kya ye tu hai? Jo mere andar ab tak aise,
Kundli maarke chupke baithi hai,
Ab kya chahiye tujhe?
Jo mere paas tha,

Wo almost sab kuch toh tu le gayi hai,

I can't believe that abhi tak pagli,
Tu mere andar aise zinda hai,
Is game ka saala koi referee hai,
Jo hum dono ke point gin raha hai,

Tujhe zara sa bhi idea hai,
Meri life kaise upside down badal gayi hai,
Kabhi lagta hai that i lost my mind,
Samajh ni aata kya galat kya sahi hai,

Do din mein tune mujhe bhula diya,
You piece of wood,
Tere andar kya koi dil nahi hai?
Tujhe unconditionally maine pyaar kiya hai,
Shaayad itni si meri galti hai,

Tujhe yaad hai tu hug karke kehti thi,
Dino promise me that you'll never leave me,
Main tha par jab mujhe zaroorat thi baby,
Tu mujhe kahi bhi dikhayi di nahi,

Ulajh gayi thi yaar saali zindagi,
Tha between a devil and a fuckin deep sea,
I wish tu mujhe samajh paati,
Uss waqt mujhe teri sabse zayda need thi,

Jaanti hai tere kaaran maine kitne dost chhode,
Maine unse abtak baatein ki nahi,
Maine kya-kya saha hai tere chakkar mein,
Kisi ko bata bhi ni sakta main loudly,

Ye sab jaankar bhi you know kyu sunta rehta tha,
Main teri ki-ki, coz i really loved you,
Aur pehle din se maine tere ko samjh liya tha apni biwi,

Kabhi lagta hai ki main aisa kya karu?
Jo tu mere paas wapis aa jaaye,
Main tujhe aisa kya bolu?
Jo tu mere saare sacrifices ko samajh paaye,

Kaash main tujhe bata paata ladki,
How much you really mean to me,
Main aisa kya karu?
Jo ek baar toh kam se kam tujhe kabhi meri yaad aaye,

Tujhe meri yaadein kyu nahi aati,
Tujhe meri yaadein kyu nahi aati,
Tujhe meri yaadein kyu nahi aati,
Tujhe meri yaadein kyu nahi aati,

Remember ek baar humne pee li thi,
Fir baad mein tune surprise ring di thi,
Main toh literally aa gaya tha on money,
Logon se bhar gaya tha na pooraa ccd,
Ab bhi jaata hoon toh waiters puchte hain sirji,
Ki aajkal madam dikhti ni,
Fir main jhooth bolta hoon ke tu kaam mein busy,
That she's working for some big mnc,

Main kuch bhi karu baby kya farak padta hai?
Tune toh wohi kiya jo tujhe karna hai,
Pata ni tha ki jab main lattoo tha,
Uss samay se actually mujhe darna hai,

Sab bolte hain bhai tu badal gaya hai,
Tu pehle wala funny dino ni lagta hai,
Main zinda hoon saala woh kaafi hai,
Mujhe khud ni pata mujhe karna kya hai?

Main maanta hoon main kangaal tha,
Main maanta hoon mera bura haal tha,
Main maanta hoon ki main ik loser hoon,
Aur tere freedom ke beech mein ek wall tha,

Main maanta hoon ke hazaaron lakhon baar,
Shayad tu mere kaaran royi hai,
Main maanta hoon sab barbaad ho raha tha,
Aur main ekdum laachaar tha,

Main maanta hoon ki main insecure hoon,
Aur tere doston ko lekar pareshan tha,

Main maanta hoon main chillaata tha,
Aur hamesha ladne ko taiyaar tha,

Main maanta hoon har waqt shikayton ka,
Mere paas ek bhot bada bhandaar tha,
Par bhagwan jaanta hai beta,
Tere ko lekar sirf aur sirf bhot pyaar tha,

Ye hone ka bhi shayd koi kaaran hi hoga,
Is mein bhi shayad unki koi marzi hai,
Kyunki na toh mere chahne se tu aayi thi baby,
Aur tu na mere chahne se gayi hai,

Shayad yeh sab sirf ek attraction tha,
Shayd maine hi thi ye sab stories pakayi,
Shayad you never love me,
And i was just another fuckin kind of life,

Teri saari problems hamesha meri thi,
Aur life kuch bhi ni tha baby tujhse bada,
Koi bhi nahi tha mere saath khada,
Himmat se tune bhi ni kabhi mera haath pakda,

Aur main khush hoon,
That i gave my best,
Aur jo ban pada woh maine sab kiya,
But afsos tujhe kuch bhi yaad nahi,
Aur ye sab kuch beta jiya ko kam pada,

You know aajtak himmat bhi nahi juta paaya hoon,
Main tere photos tak delete karne ki,
Gusse mein pehle fenk deta hoon,
For dhoond-dhoond ke le aata hoon,
Tune jo ring di thi,

Chup chup ke dusro ke phones se abhi tak,
Main tere whatsapp ke pics check karta hoon,
Hoping, kabhi toh tune ye likha hoga,
That i really really miss my baby,

Tujhe meri yaadein kyu nahi aati,

Tujhe meri yaadein kyu nahi aati,
Tujhe meri yaadein kyu nahi aati,
Tujhe meri yaadein kyu nahi aati,

Kitne sweet huye karte the na,
Aadhe aadhe ghante ke hum dono ke breakup,
Fir kaisi roti huyi shaklein bana kar karte the na,
Ek dusre ko apni pics whatsapp,

Haan maine bola tha, chali ja,
Jaanta tha lamba nahi chalne wala yeh naatak,
Par pata nahi tha iss baar tu lotegi nahi,
Teri life mein koi aur aa chuka hai na baby ab?

Dus din mein tu kisi aur ke saath mein thi,
Itni bhi tujhe kya jaldi thi,
Mujhe sudhrne ka, mujhe sambhalane ka,
At least meri jaan ek moka toh deti,

Main bhi ek weak insaan hi hoon baba,
Ho gayi yaar mujhse galti,
Ek confusion tha woh sort ho jaata,
Lekin ye karne ki tujhe kya jaroorat thi,

Bhot jalad main dekhna tujhe bhula doonga,
Aur meri life koi aur ladki aayegi,
Main duniya ki usse saari khushiyan dunga,
Aur wohi hogi meri sabse pehli priority,

Tujhe kya lagta tha haan?
Main zindagi bhar tujhe lekar rota rahunga,
Oh fuck! I'm wrong,
Main jaanta hoon teri jagah koi nahi le payegi,

Sab kehte hain dino, just let her go,
Par tu bata main tujhe kaise jaane doon,
You're my little puppy na,
Ab tu bata aisi haalat mein main kya karu?
Kabtak aise denial mein, ro-ro kar main apni life jiyun,

Kaash upar wala mujhe ek moka de,

Tujhse aakar main yeh keh sakoon,

Kya bataun? Dil mein yun khamoshiyan hain kyun,

Tu bata main kya karu?

Tujhe main kaise jaane doon?

Ke..

Tujhe meri yaadein kyu nahi aati,

Tujhe meri yaadein kyu nahi aati,

Tujhe meri yaadein kyu nahi aati,

Tujhe meri yaadein kyu nahi aati..
