

Ye Banda Mastkalandar Lyrics

English

Here is the story about a boy
And this is how it goes

Impatient vivek ahaan
What you say now what you say now
Impatient vivek ahaan yeah
That who we're talking about

Yeh banda mast qalandar
Jese gaandhi jee ka bandar
Yeh banda mast kalandar
Jese gaandhi jee ka bandar
Kurri sexy patthe honey hai
Koi us jesi nahi honi hai
Rab ne bana di jorri hai

Mast qalandar yeh banda
Dekho mast qalandar
Mast qalandar yeh banda
Dekho mast qalandar
Yeh banda mast qalandar

He's so good she's so fine
She's gotta gotta little
Yeh banda mast qalandar
She looks so pretty
And he's so cool
What they got is a love so true

Armaan sulagte machalte hain
C'mon c'mon vivek on floor
C'mon c'mon vivek
Don't loose control
Chal pyaar ki raah pe chalte hain
Ahaan yeah what you say now
What you say now

Sar-e-aam mohabbat karte hain
Jalne de jo log bhi jalte hain
Lets have a fun lets rock the world
Maahol pe masti chaai hai
Chaai hai chaai hai

Mast qalandar yeh banda
Dekho mast qalandar
Mast qalandar yeh banda
Dekho mast qalandar

Dil waalon ko duniya
Salaamat kare
C'mon c'mon vivek
Don't loose control
Chal ishq mein apna naam karay
Ahaan yeah what you say now
What you say now
Chal ishq hai charkha on karain
Chal khud ko ham badnaam karain
Come close to me my destiny
Tujh mein hi to duniya paai hai
Paai hai paai hai

Mast qalandar yeh banda
Dekho mast qalandar
Mast qalandar yeh banda
Dekho mast qalandar

Yeh banda mast qalandar
Jese gaandhi jee ka bandar
Yeh banda mast kalandar
