Shola bijli hawa allah jane kya kya  
So so naamo ka ek naam hai  
Ye jawani badi badnam hai

Julfe bikhere to har jaye rat bhi  
Julfe bikhere to har jaye rat bhi  
Mukhda dikhaye to dil khaye maat bhi  
Mukhda dikhaye to dil khaye maat bhi  
Iske bas me  
Iske bas me subah hai sham bhi  
Shola bijli hawa allah jane kya kya  
So so naamo ka ek naam hai  
Ye jawani badi badnam hai

Is chitchor ka sunte hi naam bhi  
Is chitchor ka sunte hi nama bhi  
Bade bade dil ko lete hai tham  
Bade bade dil ko lete hai tham  
Dil churana  
Dil churana isi ka kam hai  
Shola bijli hawa allah jane kya kya  
So so naamo ka ek naam hai  
Ye jawani badi badnam hai

Suna hoga aapne naam e sharab ji  
Suna hoga aapne naam e sharab ji  
Kahti hai dunia jisko kharab ji  
Kahti hai dunia jisko kharab  
Ye umar bhi  
Ye umar bhi nashila jam hai  
Shola bijli hawa allah jane kya kya  
So so naamo ka ek naam hai

Ye jawani badi badnam hai.
