Thar thar kaanpe hai badan mora
Jalta hai kyu aise jiya
Raat din tak yado mein teri
Jiya jale more piya
Raat bechain din hai tanha kaisa hai pyar ye piya

Ye kaisi uljhane hai chhue to bhi kaise piya
Thar thar kaanpe hai badan mora
Jalta hai kyu aise jiya

Simti si hui haan hui sharmai si haan hui
Simti si hui sharmai si dekhi teri jab adaa
Bekaabu si hai har ghadi kya karun tu ye bata

Teri meri do dilo ki hai ajab ye dastaan
Hum milenge haan milenge
Har janm me sath sath
Sahi na jaaye ab ye duri hasrate hai adhuri
Raat bechain din hai tanha aisa hai pyar kyu piya
Ye kaisi uljhane hai chhue to main kaise piya
Thar thar kaanpe hai
Badan mora jalta hai kyu aise jiya.
