

# Yeh Kahan Aa Gaye Hum Lyrics

## English

Main aur meri tanhaai  
Aksar ye baate karte hain  
Tum hoti to kaisaa hota  
Tum ye kahati tum vo kahati  
Tum is baat pe hairaan hoti  
Tum us baat pe kitani hansati  
Tum hoti to aisaa hota  
Tum hoti to waisa hota  
Main aur meri tanhaai  
Aksar ye baate karte hain  
Ruu ruu ruu ruu ruu ruuruu ruu  
Ye kaha aa gaye ham  
Yun hi saath saath chalate  
Teri baahon mein hai jaanam  
Mere jismojaan pighalate  
Ye kaha aa gaye ham  
Yun hi saath saath chalate

Ye raat hai yaa tumhaari  
Zulfen khuli hui hain  
Hai chaandani tumhaari nazaro se  
Meri raate dhuli hui hain  
Ye chaand hai yaa tumhara kangan  
Sitaare hain yaa tumhara aanchal  
Havaa kaa jhonkaa hai yaa  
Tumhaare badan ki khushabuu  
Ye pattiyon ki hai sarasaraahat  
Ke tumane chupake se kuchh  
Kahaa ye sochataa hun  
Main kabase gumasum  
Ki jabaki mujhako bhi ye khabar hai  
Ki tum nahin ho kahin nahin ho  
Magar ye dil hai ki kah raha hai  
Tum yahin ho yahin kahin ho

Tu badan hai main hun saya  
Tu na ho to main kaha hun  
Mujhe pyaar karane vaale  
Tu jaha hai main vahaan hun  
Hamein milanaa hi thaa  
Hamadam isi raah pe nikalate  
Ye kaha aa gaye ham  
Yun hi saath saath chalate

Meri saans saans mahake  
Koi bhinaa bhinaa chandan  
Tera pyaar chaandani hai  
Meraa dil hai jaise aangan  
Koi aur bhi mulaayam meri  
Shaam dhalate dhalate  
Meri shaam dhalate dhalate  
Ye kaha aa gaye ham  
Yun hi saath saath chalate  
Majabuur ye haalaat  
Idhar bhi hai udhar bhi  
Tanhaai ke ye raat idhar  
Bhi hai udhar bhi  
Kahane ko bahut kuchh  
Hai magar kisase kahen ham  
Kab tak yun hi khaamosh  
Rahe aur sahen ham  
Dil kahataa hai duniya  
Ki har ik rasm uthaa den  
Lyricsbogie.com  
Divaar jo ham dono  
Mein hai aaj giraa den  
Kyon dil mein sulagate  
Rahe logon ko bataa den  
Haan hamako muhabbat hai  
Mohabbat hai mohabbat hai  
Ab dil mein yahi baat  
Idhar bhi hai udhar bhi

Ye kaha aa gaye ham  
Ye kaha aa gaye ham

Ye kaha aa gaye ham  
Yun hi saath saath chalate  
Ye kaha aa gaye ham.
