Diye ki aur tufaan ki
Ik raat adhiyaari thi
Dishaae kaari kaari
Mand mand pavan
Tha chal raha
Adhiyaare ko mitaane
Jag me jyot jagaane
Ek chhota sa diya
Tha kahi jal raha
Apani dhun me magan
Usake tan me agan
Usaki lau me
Lagan bhagwaan ki
Yeh kahani hai
Diye ki aur tufaan ki

Kahi dur tha tufaan
Kahi dur tha tufaan
Diye se tha balwaan
Saare jag ko
Masalane machal raha
Jhaad ho yaa pahaad
De wo pal me ukhaad
Soch soch ke zami
Pe tha uchhal raha
Ek nanha sa diya
Us ne hamla kiya
Ek nanha sa diya
Us ne hamla kiya

Ab dekho lilaa
Vidhi ke vidhaan ki
Yeh kahani hai
Diye ki aur tufaan ki

Duniyaa ne saath chhoda
Mamataa ne mukh modaa
Ab diye pe yah
Dukh padane laga
Par himmat na haar
Man me marna vichaar
Atyaachaar ki
Hawa se ladane laga
Sar uthanaa yaa jhukana
Yaa bhalaai me mar jana
Ghadi aai usake
Bhi imtehaan ki
Yeh kahani hai
Diye ki aur tufaan ki

Phir aisi ghadi aai
Phir aisi ghadi aai
Ghanaghor ghataa chhaai
Ab diye kaa bhi
Dil laga kaanpane
Bade zor se tufaan
Aaya bharta udaan
Us chhote se diye
Kaa bal maapane
Tab diya dukhiyara
Woh bichaaraa besahara
Chalaa daav pe lagane
Baazi praan ki baazi praan ki
Baazi praan ki baazi praan ki
Chalaa daav pe
Lagane baazi praan ki
Yeh kahani hai
Diye ki aur tufaan ki

Ladate ladate woh thaka

Phir bhi bujh na sakaa
Usaki jyot me tha
Bal re sachchaai kaa
Chaahe tha woh
Kamazor par tuti nahi dor
Us ne bidaa tha
Uthaya re bhalaai kaa
Huaa nahi woh niraash
Chali jab tak saans
Use aas thi
Prabhu ke vardaani ki
Yeh kahani hai
Diye ki aur tufaan ki

Sar patak patak
Pag jhatak jhatak
Na hataa paaya
Diye ko apani aan se
Baar baar vaar
Kar ant me haar kar
Tufaan bhaga
Re maidaan se
Atyaachaar se
Ubhar jali jyot amar
Rahi amar nishaani balidaan ki
Yeh kahani hai
Diye ki aur tufaan ki
Nirbal se ladaai balwaan ki
Yeh kahani hai
Diye ki aur tufaan ki.
