Inme dekho to kiski tasveer hai  
Aage meri taqdeer hai aaja re aa

Ho yeh naina yaad hai piya ke bhul gaye  
Ho dekho ye dilruba mere hatho pe  
Aaj bhi hai nisha tumhare hotho ke  
Ho dekho ye dilruba mere hatho pe  
Aaj bhi hai nisha tumhare hotho ke  
Hatho mein dekho to kiski ye tasveer hai  
Aage meri taqdeer hai aaja re aa

Hey sabha, hey sabha hey sabha, o o sabha  
Ho hoke tumse juda aur kya hona  
Uth raha hai dhuya badan se dekho na  
Ho hoke tumse juda aur kya hona  
Uth raha hai dhuya badan se dekho na  
Dhuye mein dekho to kiski ye tasveer hai  
Aage meri taqdeer hai aaja re aa

Yeh naina yaad hai piya ke bhul gaye  
Inme dekho to kiski tasveer hai  
Aage meri taqdeer hai aaja re aa

Ho aankhe na badalo is tor se  
Dekho to mujhko zara gor se  
Aankhe na badalo is tor se  
Dekho to mujhko jara gor se  
Tere liye jo dar dar phira  
Ha main wo hi hoon deewana tera  
Yaad karo janejaha  
Ab nahi rahana tere bina

Ab nahi rahana tere bina.
