Ye deewana mosam
Ye deewana mosam ye mastana aalam
Tere naam hain bas tere naam hain
Yeh phoolon ki khushbu hawao ki thandak
Fizzao ki masti bhare shaam hain

Uddaye liye jaa rahi hain tamanna
Zamee par nahi aasman par kadam hain
Uddaye liye jaa rahi hain tamanna
Zamee par nahi aasman par kadam hain
Bahot narm ehsaas chhune laga hain
Tumhein kyaa bataye kahan aaj hum hain
Tumhein kyaa bataye kahan aaj hum hain
Ye raathe ye manzil
Ye raathe ye manzil ye khilta huua dil
Khushi hi khushi ka ye paigaam hain
Yeh phoolon ki khushbu hawao ki thandak
Fizzao ki masti bhare shaam hain

Labo ki khamoshi mein hain ek kahaani
Muhabbat ke dharo mein hain ek rawaani
Labo ki khamoshi mein hain ek kahaani
Muhabbat ke dharo mein hain ek rawaani
Kadam do kadam ka safar ye hamara
Ghuzarengi saath hum ek zindagaani
Ghuzarengi saath hum ek zindagaani
Milli jab nigahein diye jhal uthe hain
Ye kaisa muhabbat ka innaam hain
Ye deewana mosam
Ye deewana mosam ye mastana aalam

Tere naam hain bas tere naam hain
Yeh phoolon ki khushbu hawao ki thandak
Fizzao ki masti bhare shaam hain
Ye deewana mosam ye mastana aalam
Tere naam hain bas tere naam hain.
