

# Yeh Zindagi Lyrics

---

## English

I could spend my life tryin'  
Hard to make sense of this world  
But i know i came alone and i'll leave alone,  
Lyricsbogie.com  
And i don't know where i'll  
Go but i know that i'll go somewhere

Yeh zindgi chali manchali,  
Meri bekhudi se kya ye keh gayi  
Oo rehnuma mujhko de bata,  
Phaili inn hawaaon ne mujhse kya kaha

Chaar dishaa se goonje  
Teri sada aur koi nahi yaara  
Nadaan hoon main  
Tujhko na maine pehchana

Ooo ye..this is your life every  
Ones watching you..you're star of the show

Yeh zindgi dekho toh zara,  
Phaila hai ujaala bikhra huya  
Teri yaadon ne bus mujhko  
Yun chhooaa sulgaa hai yeh pal  
Har lamha lagta bus dhuaan hi dhuaan

Ooo ye..this is your life every  
Ones watching you..you're star of the show

Khaamoshiyaan kyon hai darmiyaan,  
Guzare hai zamaana koi hai kahaan

I could spend my life tryin'  
Hard to make sense of this world  
But i know i came alone and i'll leave alone,  
And i don't know where i'll go

But i know that i'll go somewhere

Yeh zindgi chali manchali,  
Meri bekhudi se kya ye keh gayi  
Oo rehnuma mujhko de bata,  
Phaili inn hawaaon ne mujhse kya kahaa

Ooo ye..this is your life every  
Ones watching you  
Ooo ye..this is your life every  
Ones watching you  
Ooo ye..this is your life every  
Ones watching you.
