

You Are The Reason Lyrics

English

You are the reason
Why i'm leavin
You are the reason
Why i'm breathin
You are the reason why
I'm kicking it shorty now
Will you be down
Will you be down
You are the reason
Why i'm leavin
You are the reason
Why i'm breathin
You are the reason why
I'm kicking it shorty now
Will you be down
Will you be down

Nanana na na na nanana
Nanana na na na nanana
Tuhi meri puja meri bandh
Ek tune bas ek thi rahon mein
Bas judi hai meri dilki rahe
Ye aye aaye

Sach kahun mere liye

Bhale apno ko humse
