Sara din takraar mein jaaye
Raat ko jaage jaaye
Hoga nahi hoga pyar
Dil hai bada beqaraar

Dil ka ishaara samjo jara
Dil ka ishaara samjo jara
Ye raat nahi hai sone ki
Ye raat nahi hai sone ki
Dil mein tumhare baat hai jo
Wo baat nahi hai hone ki
Wo baat nahi hai hone ki
Hum bhi pyase
Are hum bhi pyase
Dil bhi pyase
Pyasi hai raat suhani
Paani mummy paani
Ab inhe sambhalo
Soja soja munny tu soja
Hoga nahi hoga pyar

Aanchal dhalka
Aanchal dhalka
Bikhari zulfen
Paas ho tum kyun dil tarse

Tarse tarse kyun tarse
Pyar nahi hai aisi ghata jo
Tum jab chaho tab tarse
Barse barse kyun barse
Chhodo satana
Main satati hun ha ha
Chhodo satana
Jhootha bahana
Sun bhi lo dil ki kahani
Main bhi sunungi kahani
Main bhi sunungi kahani
Are bhai ek tha raja
Ek thi rani
Kar na sake mann maani
Kar na sake mann maani
Kar na sake mann maani.
