## English

Diti zakhman nu rakhi baithi ve  
Saugaat wangra! Saugaat wangra!  
Sawer sajdi milde bhul gaye aa,  
Mainu raat wangra! Mainu raat wangra!

Ehsan tera jo main eh jeyonde jee,  
Main samjhi vaade par jo si ik baat wangra,

Koshish vi methon hundi nai ke bhul jawa,  
Mere ajj vi hanju dulce ne barsaat wangra,

Fer pashtyain na ro-ro, kithe jaake beh gayi ae,  
Tainu yaad karan wali, khud ik yaad ban gayi,

Hun hor na khwahish koi, na zindagi de nal vi koi  
Pyar hai,  
Ik maut vi aandi nahin, dhokhebaaz waang mere  
Yaar hai,

Sunniyan paiyan rahwan jithe turde si,  
Tere pairan de main othe jaa labdi nishaan,  
Palle chhaddeyan kakh nai sunny mere tu,'  
Phir vi rooh jayi khid'di sunke tera naa,

Tainu zakhm dite mainu ehsas naa si,  
Jadon si tainu lod main paas na si,  
Tera pyar vi te mere layi khas naa si,  
Tethon sab kujh kho leya kita naash naa si,

Sadaa kita tera bura main,  
Eh pyar vi chhadeya adhura main,  
Tera koyi vi pura kita khwaab naa si,  
Tera chahat tainu modi naa,  
Tainu peerh vi diti thodi naa,  
Tainu mere te kade vi aas naa si,

Shuru ton galti meri si,  
Par ilzaam tainu dite,  
Tu bas pyar hi dindi rahi  
Main gham har sham tainu dite,

Tu jo nahin ajj kol ve,  
Gal launi main likh ke main haan tera hi naa,  
Hai keemti jo mere layi mainu aasra hai dinda  
Khushnaseeb haan,

Ro ro kujh nai ban'da loki kehnde ne,  
Howaan kinjh main chup ve hanju sun'de naa,  
Kaliyan kaliyan raatan mainu thagdiyan ne,  
Pushdi mainu khaab ke hun sanu bun'di naa,

Fer pashtyain na ro-ro, kithe jaake beh gayi ae,  
Tainu yaad karan wali, khud ik yaad ban gayi.
