Ik haadsa yaad aa gaya
Zakham dil ke has diye
Zakham dil ke has diye
Woh bewafa yaad aa gaya
Zikre ulfat jab chala

Kis tarah ghujari na puchho
Hizar ke maaru ki raat
Kis tarah ghujari na puchho
Hizar ke maaru ki raat
Dard kuch itana badha
Dard kuch itana badha
Yaad mushkura yaad aa gaya
Zikre ulfat jab chala

Saath ghujare the jahan se
Baarhaa hum tumre dost
Saath ghujare the jahan se
Baarhaa hum tumre dost
Aaj phir sun saan sa woh
Aaj phir sun saan sa woh
Raasta yaad aa gaya
Zikre ulfat jab chala

Kuch na socha khoon usane
Mere dil ka kar diya
Kuch na socha khoon usane
Mere dil ka kar diya
Ik jara si baaat thi
Ik jara si baaat thi
Rang e heena yaad aagaya

Zikre ulfat jab chala

Rote rote has diya thaa
Aaj mehfil mein muradim
Rote rote has diya thaa
Aaj mehfil mein muradim
Haste haste ro pada
Haste haste ro pada
Ab jaane kyaa yaad aa gaya
Zikre ulfat jab chala
Ik haadsa yaad aa gaya
Zakham dil ke has diye
Woh bewafa yaad aa gaya
Zikre ulfat jab chala.
