Yuun hi mar jaau
Yuun hi mar jaau, yeh marji mere ghan shyaam ki hai
Yuun hi mar jaau, yeh marji mere ghan shyaam ki hai

Khud ba khud gaal gulaabi se huye, jalane lage
Khud ba khud gaal gulaabi se huye, jalane lage
Jaanati hoon yeh ada sawale gulfaam ki hai
Jaanati hoon yeh ada sawale gulfaam ki hai
Yuun hi mar jaau, yeh marji mere ghan shyaam ki hai

Kalpnaaye bhi madhushaala hui hai meri
Kalpnaaye bhi madhushaala hui hai meri
Yeh sharaarat unhi honton ke hasi jaam ki hai
Yeh sharaarat unhi honton ke hasi jaam ki hai
Jindagi jo hai bachi, woh bhi usi naam ki hai

Raat raani si mehakati hai badan ke andar
Raat raani si mehakati hai badan ke andar
Usaki yaadon ki yeh saugaat bade kaam ki hai
Usaki yaadon ki yeh saugaat bade kaam ki hai
Yuun hi mar jaau
Yuun hi mar jaau, yeh marji mere ghan shyaam ki hai
Jindagi jo hai bachi, woh bhi usi naam ki hai

Jindagi jo hai bachi, woh bhi usi naam ki hai
Yuun hi mar jaau, yeh marji mere ghan shyaam ki hai.
