Mushkura ke hamein jeena hain  
Gaate gaate chalein jaana hain

Zindagi kya hai ek nagma hain  
Is nagmein ko ghunghuna hain  
Ho mushkura ke hamein jeena hain  
Gaate gaate chalein jaana hain  
Zindagi kya hai ek nagma hain  
Is nagmein ko ghunghuna hain

Rut badalti hain ghul mahekta hain  
Aankh milati hain dil dhadkta hain  
Neend jaati hain chain aata hain  
Koi yaadon mein muskuraata hain  
Kyaa jawan nazarein hain  
Pyaar ke isharein hain  
Pyaar ke isharein hain  
Kyaa jawan nazarein hain  
Aao aao meri baahon mein  
Tumko saanso mein chhupana hain

Aashiqi kyaa hain ek khusboo hain  
Is khusboo se dil lagana hain  
Ho mushkura ke hamein jeena hain  
Gaate gaate chalein jaana hain  
Zindagi kya hai ek nagma hain  
Is nagmein ko ghunghuna hain

Ye toh mausam hain jeene marne ka  
Bekraari mein aahein bharne ka

Ab hamein milke ek hona hain  
In panaho mein hamko khona hain  
Bekhudi badhyenge  
Hum tumhi ko chahenge  
Hum tumhi ko chahenge  
Bekhudi badhyenge

O jaane jaana sang rahena hain  
Ik pal na bhulana hain  
Dosti kyaa hai ik waada hain  
Us waade ko ab nibhana hain  
Mushkura ke hamein jeena hain  
Gaate gaate chalein jaana hain  
Zindagi kya hai ek nagma hain  
Is nagmein ko ghunghuna hain

Haan mushkura ke hamein jeena hain  
Gaate gaate chalein jaana hain  
Zindagi kya hai ek nagma hain  
Is nagmein ko ghunghuna hain.
